## MANY KILLED BY EXPLOSION

Six Men Meet Death on the  
Cruiser Tennessee.

SEVERAL OTHERS INJURED

Boiler Tube Breaks and Occupants of  
the Fireroom Are Showered With  
Fragments of Iron, Cinders and a  
Cloud of Scalding Steam.

Los Angeles, Cal., June 6.—Four men were killed and ten injured on board the armored cruiser Tennessee at sea when a boiler tube broke, hurling fragments of iron about the engine room and filling it with scalding steam. The accident happened an hour after the cruiser left Santa Barbara on her way with six other vessels of the Pacific fleet to Los Angeles ports. The cruiser was steaming at full speed when the explosion occurred.

The force of the explosion was terrible and many of the injured are fatally hurt, it is believed. Orders were flashed to Dr. W. A. Weldon, local marine surgeon at San Pedro, directing him to prepare for the caring of the injured sailors. According to the wireless dispatches, no officers were injured. The damage to the ship is not known at this time, but it is likely that the boiler rooms of the ship have suffered seriously.

The explosion, the cause of which is unknown, occurred only a few minutes after Admiral Uriel Sebree, Captain F. B. Howard and Chief Engineer Robertson had left the engine room on a tour of inspection. Four of the men were killed instantly and two more died at San Pedro upon the arrival there of the Tennessee. The dead are: George Wood, water tender, Scranton, Pa.; E. C. Roggs, second class fireman, Woodlawn, Ala.; A. Reinhold, machinists' mate, second class, Germany; George W. Meek, first class fireman, Skidmore, Kan.; S. S. Tematis, first class fireman, Norfolk, Va.; F. S. Maxwell, second class fireman, Toughkenamen, Pa., died from injuries two hours after the accident.

The seriously injured are E. J. Burns, coal passer, New York; Walter S. Burns, coal passer, Brooklyn, N. Y.; J. P. A. Carroll, second class fireman, Hartford, Conn.

The slightly injured are D. W. Watson, fireman second class, East St. Louis, Ill.; R. F. Rutledge, coal passer, Athens, Pa.; G. M. Corns, fireman, second class, Ironton, O.; A. Hayes, water tender, Brooklyn, N. Y.; H. E. Fitzpatrick, fireman first class, Brooklyn.

There were fourteen men in the fireroom when the tube, which is four inches in diameter and enclosed water inside the boiler, blew out, driving a torrent of scalding steam, hot dust, cinders and hot ashes through the asphalt and showering the half-naked men.

A blast of white steam from the ventilators told those on deck of the accident, and Lieutenant Commander S. S. Robinson, the navigator, instantly sounded a general alarm, dropping twenty lines of hose ready for instant use in case of fire. Within the fatal fireroom, which is one of the sixteen enclosed fire compartments, the surviving seamen were fighting for life. Reinhold and Meek were stricken dead at their posts. Boggs and Wood crawled or were dragged into the adjoining fireroom, No. 11, and died almost immediately. The surviving seamen, all of whom received severe in-

juries, showed the greatest heroism in aiding their unfortunate mates.

Narrow Escape for the Admiral.

Admiral Sebree himself escaped death or serious injury in the fatal room by a mere moment's time. He had left the room where the explosion occurred not fifty seconds before the fatal blast. The admiral stood in the engine room adjoining the fireroom with Chief Engineer Robertson and Captain Howard. His first intimation of the tragedy was as he mounted the ladder and a half-naked fireman leaped past him, suffering from bad scalds. When the smoke came from the fireroom the fire call was sounded and all the crew went to their stations in perfect order and in a few seconds fifteen to twenty lines of hose were ready to turn on the fire. Several of the crew behaved with heroism and will be reported to the department later when full particulars are known.

The seamen will be taken ashore at San Pedro and brought to the Marine hospital at Los Angeles, where arrangements have already been made to receive them.

Several of the other cruisers of the fleet arrived at Long Beach, Redondo and other ports ahead of the Tennessee, and it was evident that the ship had been considerably disabled by the accident.

The Tennessee is Admiral Sebree's flagship, commanding the Second division of the Pacific fleet. The other vessels accompanying the Tennessee are the California, Washington, West Virginia, Colorado, Pennsylvania and Maryland, comprising the First division commanded by Admiral Dayton.

Hoke Smith Defeated.

Atlanta, Ga., June 6.—Official returns from 126 counties and unofficial counts from the remaining twenty of votes cast in Thursday's Democratic primary give Brown for governor a majority of 12,000 over Hoke Smith.

Roosevelt Will Go to Africa.

Washington, June 6.—Important significance in connection with President Roosevelt's determination against a third term is contained in the admission made for the first time that the president is making definite plans to leave the United States in April next year for Africa, where he will spend a year hunting big game.

WEEKLY REVIEW OF TRADE

Irregular Weather Conditions Affect  
Retail Business.

New York, June 6.—Bradstreet's review of trade says irregular weather conditions, with heavy rainfalls in the Northwest, Southwest and South, have given an uneven appearance to retail trade reports. Reports from wholesale trade lines and from leading industries are, however, more cheerful. House trade in fall goods is reported light, but traveling men are sending in better orders, though conservatism rules in the buying. Reports as to industrial resumption at full time are more numerous in cotton goods and allied textile lines, more than offsetting reports of shutdowns, and there are more iron furnaces and coke ovens reported going to work as a result of the late pig iron buying movement, which has quieted down, as prices have advanced. Collections still reflect the quiet trade doing, in backward payments. Money is easy, but the inflow from the country to the large centers is slackening perceptibly. Best retail trade reports come from the Eastern quarter of the country, while rains or floods have affected trade in the Mississippi and its tributary valleys.

## FATAL CRASH OF CARS

Eight Persons Killed in Wreck  
Near Annapolis, Md.

SCORE OF PEOPLE HURT

Collision Due to a Confusion of Orders—Both of the Wrecked Cars Were Specials—Believed That Death List Will Be Increased.

Annapolis, Md., June 6.—In a head-on collision between two special cars on the Washington, Baltimore and Annapolis Electric railroad eight persons were killed outright and a score of others were seriously injured, some of them perhaps fatally. The collision was due to a confusion of orders, as the line has been running several extra cars each way in connection with the commencement festivities at the naval academy. The dead are:

Richard Norton, Baltimore; A. H. Schultz, Baltimore; Police Patrolman Shreiber, employed by the railway company at Academy Junction; an unidentified white woman, said to be from Baltimore; Zach O'Neal, New York, motorman of one of the wrecked cars; Ruth Slaughter, daughter of General Traffic Manager W. E. Slaughter of the road; J. W. McDaniel, Baltimore; George White, Baltimore.

The disaster occurred just beyond Camp Parole, which is the first station after leaving this city. Both the wrecked cars were specials, one of them bound from Baltimore for Annapolis, the other running from here bound for Washington. The latter carried few passengers, while the other was well filled. The impact was terrific and both cars were wrecked, that bound for this city being thrown from the rails. As quickly as possible aid was sent from here and the dead and injured were brought to this city. Of the injured, General Traffic Manager W. E. Slaughter of the Washington, Baltimore and Annapolis was in the worst condition, and his death at any moment would not cause the physicians surprise.

Members of the train crew express the belief that the list of dead will increase by one or two, perhaps more when daylight makes possible a thorough inspection of the wrecked and twisted cars and the bushes near the track.

The unidentified woman who was killed is believed to be a Miss Harris of Philadelphia. She and several of those injured were on their way to this city to attend the graduation ball at the naval academy.

The wreck occurred on a curve, which prevented the motormen of the cars seeing more than a short distance ahead. It is said that the car from Baltimore was ordered to wait on the siding at Bests Gate, the station beyond Camp Parole, for the other car to pass. Why these orders were not carried out has not been ascertained.

MUST REMAIN IN JAIL.

Actor Will Not Be Out on Bail During  
His Trial.

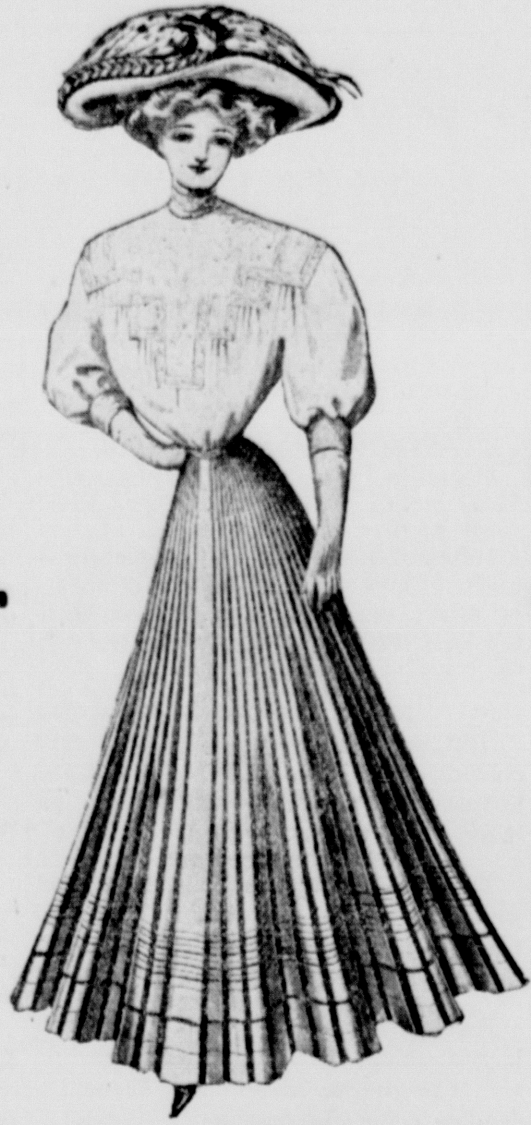

New York, June 6.—The trial of Raymond Hitchcock, the comedian, came to an abrupt halt in the supreme court shortly after the opening of the proceedings. On request of Max E. Steuer, who had been retained to succeed Hitchcock's former counsel in defending the comedian on indictments growing out of charges preferred by young girls, Justice Goff granted an adjournment until Monday to the attorney to familiarize himself with the details of the case. The trial having technically begun and Hitchcock having been surrendered by his bondsmen, Justice Goff ordered him committed to the Tombs. Hitchcock was much disappointed at being taken to prison and said he was prepared to furnish bail. Justice Goff, however, refused to accept bail and stated that Hitchcock must remain in custody during his trial.

Same Train Hits Two Men.

Glyndon, Minn., June 6.—Timothy Hopkins, a young man of Langdon, N. D., was fatally injured here by being run over by a locomotive. He was employed on the big construction work of the Northern Pacific at this place, and in an endeavor to board a moving locomotive was knocked down and run over. The son of Conductor Lyons of Staples was run over by the same train and his right foot crushed at the ankle.

Miners and Operators Agree.

Cleveland, O., June 6.—Coal miners and operators of the Eastern district of Ohio reached a two-years' agreement after a stormy session. All differences were amicably adjusted and work in all mines will be resumed. In the Eastern Ohio, or No. 8 field, 10,000 miners are employed. They are directly affected by this action. The scale decided upon is the same as that of two years ago.

CONVICTION SET ASIDE.

Indictment Against Mutual Life Official Quashed.

New York, June 6.—The conviction of Dr. Walter R. Gillette, formerly vice president of the Mutual Life Insurance company, on the charge of perjury and his sentence to six months in the penitentiary, was set aside and the indictment against him quashed by a decision of the appellate division of the supreme court. The reversal is based on technical grounds, developing in the trial of Gillette, who was indicted in consequence of his testimony in the insurance investigation conducted by Governor Hughes. Dr. Gillette, who has been out on \$15,000 bail, was accused of having sworn to the grand jury that a bank account kept by him at Dobbs Ferry was his personal account, which he later stated was the property of the Mutual Life Insurance company, and that he held it for confidential purposes of the company. Justice McLaughlin, writing the majority opinion of the court, sets forth three interesting grounds for the reversal. First, that the defendant's constitutional rights were violated when he was required to testify against himself before the grand jury; second, that the indictment was defective in that it failed to set forth specifically the object of the grand jury investigation so that the materiality of the defendant's answers could be seen, and third, that the defendant's answers, while perhaps misleading, were not false.

SHERIFF KILLED

Unknown Deputy and a Negro Wounded in a Fight.

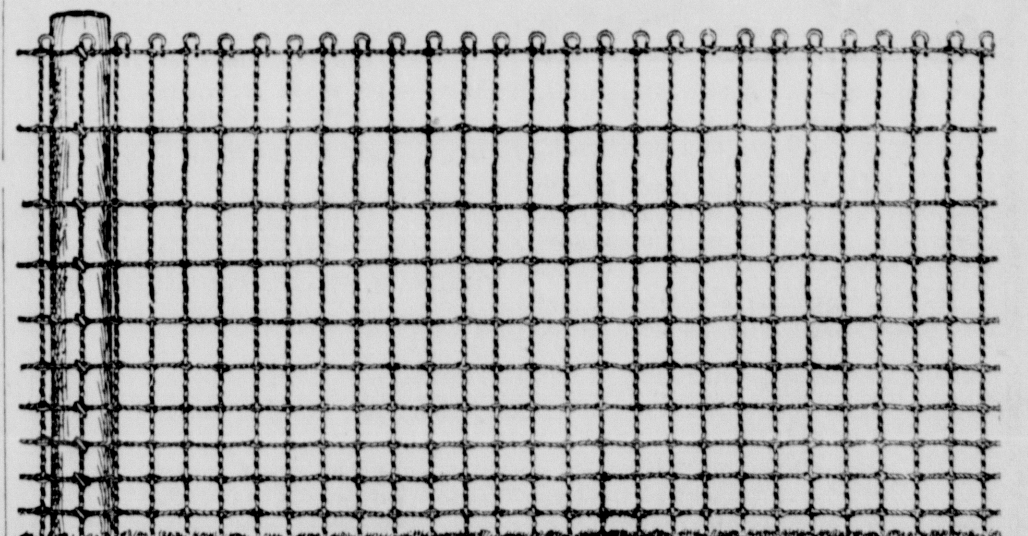

Oklahoma City, Okla., June 6.—Sheriff George W. Garrison of Oklahoma City was shot and killed, an unknown deputy was wounded and a negro was shot in a battle which took place three miles east of Hitchcock.

According to reports received by the local police department, seven negroes were in a party that opened fire on the sheriff when he attempted to arrest Alf Hunter, wanted for murder. A telephone message says that a posse of fifty has gone in pursuit of five of the negroes who escaped.

She—He tells me all his secrets. He—Well, you don't object to that, do you? She—Oh, I don't know. I think I'd rather find them out!

next April and spend the following  
year or eighteen months hunting big  
game and will write a book on his ex-  
periences after his return. Those fel-  
lows who fear he will continue to "run  
the government" after Taft is elected  
will be relieved at this announcement.

THE St. Cloud Journal-Press suggests  
that "The Sixth district republicans  
can help solve the state puzzle by  
standing together at the convention  
to be held in St. Paul July 1. And  
there is a well defined sentiment to  
do this very thing. This is the only  
way to checkmate the big delegations  
from the three largest cities."

THE state department of weights and  
measures is sending out notices regard-  
ing fruit packages and the one relating  
to the standard of measure for selling  
berries and other small fruits says that  
the quart should contain 67 cubic inches  
and those baskets and packages that  
do not have the required capacity shall  
be marked "short" in letters not less  
than one-half inch in height.

### Just About Wright

From all over the district come very  
flattering reports regarding the candi-  
dacy of B. F. Wright for district judge,  
and the outlook is at present very  
favorable for his nomination as the re-  
publican candidate for that position.  
Mr. Wright as an attorney has come to  
be generally recognized as exception-  
ally good counsel, well informed, able  
and conservative, and he is now at the  
period in life when his judgment is  
fully matured and when he can give  
the best service possible and the ser-  
vice necessary of a member of the dis-  
trict bench of Minnesota. His cam-  
paign is being conducted along lines  
strictly in keeping with the dignity of  
the position which he seeks, and he  
has no backing other than the kindly  
interest of friends. His campaign ex-  
penses will of necessity be modest, and  
will, of course, be only along the most  
strictly legitimate lines. Of the candi-  
dates for this position Mr. Wright is  
the only one who has the unanimous en-  
dorsement of the bar of his home  
county, and added to this his candidacy  
received the endorsement of the repub-  
licans of the county in convention as-  
sembled. The district at large could  
be given no stronger assurances than  
these from the village and county  
where he has made his home for the  
past nearly twenty years.—Hubbard  
Co. Clipper.

Miss Clara Stridde, bookkeeper and  
stenographer for W. F. Holst, in his  
machinery business left this morning  
for Neenah, Wis., where she will wit-  
ness the graduation of her sister and  
visit relatives for a time.

J. C. Jamieson left today for Minne-  
apolis, having received a telegram to-  
day that his son Earl would leave Chi-  
cago tonight for Minneapolis, on his  
way home from Boston where he has  
been attending school.

D. M. Clark & Co. have received  
their new spring line of lace curtains  
and draperies. 263tf

Iola Council, No. 15, Degree of Poca-  
hontas, held a very pleasant meeting  
last evening. A class of six was ini-  
tiated, after which lunch was served.  
This was followed by dancing, the time  
being pleasantly put in until about one  
o'clock.

Write Hall and Cyclone Insurance;  
cash commissions; hustlers make \$10 to  
\$30 a day. C. B. Steelman, secretary,  
Railway Bldg., Minneapolis, Minn.,  
only. 3t f s t

Mr. and Mrs. S. G. Stewart left yester-  
day for the west and will remain  
there several months and possibly make  
the Pacific coast their future home.  
Their many friends here regret their  
leaving, but extend most hearty good  
wishes for their future prosperity.

### The Vote of the Housekeeper is for Occident

C. N. Parker, Mr. and Mrs. Fred S.  
Parker, Misses Ethel, Irma and Ruth  
Parker and Clyde Parker went to their  
summer home at Parkerville today. The  
family will remain there for the sum-  
mer, the gentlemen coming to the city  
from time to time as required by busi-  
ness.

Misses Janie and Beatrice Mills, of  
Bemidji, were in the city today on their  
way home from St. Cloud where the  
former was a graduate of the state  
normal school, and where the latter  
had been to witness the ceremonies.  
Their father, Reclmaster Charles  
Mills, came down from Bemidji to meet  
them.

Mrs. A. Anderson is here delivering  
the Spirella corsets and any lady who  
wishes to order one can call at the re-  
sidence of Frank Theines, Fitger build-  
ing. These corsets are the finest made  
and the stays are guaranteed a whole  
year from rust and break. This is her  
last trip and those who fail to order  
now will be sorry later. 1t

### Don't See or Hear Too Much.

The less a man knows about house-  
hold matters the better. These he  
should leave to his wife, if he be the  
fortunate possessor of such a treasure.  
Some men are cognizant of every trifle  
which passes in the family. They  
know how much soap is given out to  
the washwoman, how much salt is  
wasted in the kitchen, how much gas  
is used to heat the rolls, how much  
coal is used an hour in the range, and  
all sorts of things equally unworthy of  
notice by a manly character. Such  
"hussy fellows" (as they call them in  
Scotland) should have a discloth  
pinned to their con tails to teach them  
better sense and manners.—New York  
Press.

### WORLD'S BIGGEST CLOCK.

Huge Timepiece in Jersey City That  
Weighs Nearly Six Tons.

Mayor H. Otto Wittmann of Jersey  
City pressed an electric button at 3  
o'clock the other afternoon and set in  
motion the biggest clock in the world.  
The huge timepiece is on the top of a  
well known factory in Jersey City and  
is visible for many miles.

Heretofore the Westminster dials on  
the parliament buildings in London  
held the record abroad, with the diam-  
eter of 22½ feet and an area of 398  
square feet, and in the United States  
the dials on the Philadelphia city hall  
were the largest, measuring 25 feet  
across and having an area of 490 square  
feet. The great clock has an area of  
more than twice of either of these, the  
dial being 38 feet across and its area  
1,134 square feet. The minute hand  
is 20 feet long and, with counterpoise,  
weighs nearly one-third of a ton, while  
the ponderous weight that moves the  
mechanism weighs just 2,000 pounds  
and the whole clock approximately six  
tons.

Across the dial of this clock twenty  
men of average size could stand shoul-  
der to shoulder. Instead of the usual  
transparent dial, lighted from behind  
at night, the hands are outlined with  
incandescent lights. Brilliant red lights  
mark each numeral and an incandes-  
cent lamp each minute mark. These  
are twenty-four inches apart. Thus  
the tip end of the hour hand travels  
twenty-four inches every minute, or  
more than half a mile a day.

### Greenland for Tuberculosis.

It is claimed the arctic region is an  
ideal location for the treatment of  
tuberculosis on account of the almost  
perpetual sunshine. It is dustless,  
the air is pure and dry and the unusu-  
al scenes stimulate the desire for ex-  
ercise. Dr. Frederick Bohlen of Wash-  
ington is inclined to believe that a  
Greenland sanitarium is not only a  
medical possibility but a practical busi-  
ness proposition.

### A 6088 GOOD TEMPLAR.

In the state of Iowa many old sol-  
diers are buying 6088, the great North-  
ern blood purifier, for rheumatism,  
catarrh and kidney trouble.

Read this extract from a letter writ-  
ten by Mr. Story Keith, Clinton, Iowa,  
P. C. C. T., Independent Order of Good  
Templars, to George H. Hazard:

"I have not been as free from rheu-  
matism for a long time as at present,  
and will tell you what has done it—  
Matt J. Johnson's 6088, made in St.  
Paul—perhaps you know of them, if  
so give them my love for they have a  
dandy remedy for the fls that we boys  
are subject to. Everyone in our fam-  
ily is taking it, and all are feeling bet-  
ter. My wife has been so lame she  
could hardly get up from her chair,  
and my back at times gave me lots of  
trouble. Now we are all feeling bet-  
ter, and will keep a bottle on hand at  
all times."

This great remedy is sold by the best  
druggists everywhere. Ask about our  
free trial. Sold and guaranteed by—

**M. K. Swartz, Druggist**  
Brainerd, Minn.

## Bargains Bargains

One Year, strictly in advance, Four Dollars

Office in Dispatch Building on 6th St., opposite  
the Post Office.

Entered at the post-office at Brainerd, Minn.,  
as second class matter.

SATURDAY, JUNE 6, 1908

### June 6 in History.

1755—Nathan Hale, martyr of liberty,  
born; executed Sept. 22, 1776.  
1813—James Lawrence, naval officer,  
died on the Chesapeake; his last  
words, "Don't give up the ship."  
1906—Karl von Hartmann, noted Ger-  
man philosopher, died; born 1841.

### ASTRONOMICAL EVENTS.

Sun sets 7:24, rises 4:25; moon sets  
12:51 a. m.; 11:56 p. m., eastern time.  
moon at first quarter; 11 a. m., planets  
Mercury and Mars in conjunction, pass-  
ing only nineteen minutes of arc apart,  
or about one-third of a degree; seen  
low in west just after sunset, Mercury  
the brighter and farther north.

OUR neighboring city of Walker will  
celebrate the 4th, and the Pilot an-  
nounces that the eagle will scream as  
it never did before.

The village council of Pine River has  
granted a twenty-five year franchise to  
Chicago parties to install and maintain  
an acetylen gas plant in that village.

HAMMOND, the man who draws the  
largest salary of any man in the world,  
wants to give up his job and become a  
candidate for vice president.

ST. CLOUD has a telephone war on  
and a committee of the council has re-  
ported in favor of another company for  
the reason that the present rates are  
too high.

SOME one will have to head Hicks off  
or there will be no water left in the  
overhead reservoirs to use for rain pur-  
poses next season. He insists in giv-  
ing it all to us this year.

THE Johnson boomers claim that it is  
a cinch now, and the Bryan fellows are  
willing to let it go at that. In the  
meantime Taft will be nominated by  
the republicans and elected.

THE St. Cloud normal school gradu-  
ated 191 teachers this year, making  
2,000 teachers that have been gradu-  
ated from that institution. The school  
is the largest in the state and stands  
at the head of educational institutions  
of this class in the northwest.

PRESIDENT ROOSEVELT makes the  
announcement that he will go to Africa  
next April and spend the following  
year or eighteen months hunting big  
game and will write a book on his ex-  
periences after his return. Those fel-  
lows who fear he will continue to "run  
the government" after Taft is elected  
will be relieved at this announcement.

THE St. Cloud Journal-Press suggests  
that "The Sixth district republicans  
can help solve the state puzzle by  
standing together at the convention  
to be held in St. Paul July 1. And  
there is a well defined sentiment to  
do this very thing. This is the only  
way to checkmate the big delegations  
from the three largest cities."

THE state department of weights and  
measures is sending out notices regard-  
ing fruit packages and the one relating  
to the standard of measure for selling  
berries and other small fruits says that  
the quart should contain 67 cubic inches  
and those baskets and packages that  
do not have the required capacity shall  
be marked "short" in letters not less  
than one-half inch in height.

### Just About Wright

From all over the district come very  
flattering reports regarding the candi-  
dacy of B. F. Wright for district judge,  
and the outlook is at present very  
favorable for his nomination as the re-  
publican candidate for that position.  
Mr. Wright as an attorney has come to  
be generally recognized as exception-  
ally good counsel, well informed, able  
and conservative, and he is now at the  
period in life when his judgment is  
fully matured and when he can give  
the best service possible and the ser-  
vice necessary of a member of the dis-  
trict bench of Minnesota. His cam-  
paign is being conducted along lines  
strictly in keeping with the dignity of  
the position which he seeks, and he  
has no backing other than the kindly  
interest of friends. His campaign ex-  
penses will of necessity be modest, and  
will, of course, be only along the most  
strictly legitimate lines. Of the candi-  
dates for this position Mr. Wright is  
the only one who has the unanimous en-  
dorsement of the bar of his home  
county, and added to this his candidacy  
received the endorsement of the repub-  
licans of the county in convention as-  
sembled. The district at large could  
be given no stronger assurances than  
these from the village and county  
where he has made his home for the  
past nearly twenty years.—Hubbard  
Co. Clipper.

guns and rifles. D. M. Clark & Co. 277tf

Miss Clara Strudde, bookkeeper and  
stenographer for W. F. Holst, in his  
machinery business left this morning  
for Neenah, Wis., where she will wit-  
ness the graduation of her sister and  
visit relatives for a time.

J. C. Jamieson left today for Minne-  
apolis, having received a telegram to-  
day that his son Earl would leave Chi-  
cago tonight for Minneapolis, on his  
way home from Boston where he has  
been attending school.

D. M. Clark & Co. have received  
their new spring line of lace curtains  
and draperies. 263cf

Iola Council, No. 15, Degree of Poca-  
hontas, held a very pleasant meeting  
last evening. A class of six was ini-  
tiated, after which lunch was served.  
This was followed by dancing, the time  
being pleasantly put in until about one  
o'clock.

Write Hall and Cyclone Insurance;

\$30 a day. C. B. Steelman, secretary,  
Railway Bldg., Minneapolis, Minn.,  
only. 3t f s t

Mr. and Mrs. S. G. Stewart left yester-  
day for the west and will remain  
there several months and possibly make  
the Pacific coast their future home.  
Their many friends here regret their  
leaving, but extend most hearty good  
wishes for their future prosperity.

### The Vote of the HouseKeeper is for Occident

C. N. Parker, Mr. and Mrs. Fred S.  
Parker, Misses Ethel, Irma and Ruth  
Parker and Clyde Parker went to their  
summer home at Parkerville today. The  
family will remain there for the sum-  
mer, the gentlemen coming to the city  
from time to time as required by busi-  
ness.

Misses Janie and Beatrice Mills, of  
Bemidji, were in the city today on their  
way home from St. Cloud where the  
former was a graduate of the state  
normal school, and where the latter  
had been to witness the ceremonies.  
Their father, Realmaster Charles  
Mills, came down from Bemidji to meet  
them.

Mrs. A. Anderson is here delivering  
the Spirella corsets and any lady who  
wishes to order one can call at the resi-  
dence of Frank Theines, Fitger build-  
ing. These corsets are the finest made  
and the stays are guaranteed a whole  
year from rust and break. This is her  
last trip and those who fail to order  
now will be sorry later. 1t

### Don't See or Hear Too Much.

The less a man knows about house-  
hold matters the better. These he  
should leave to his wife, if he be the  
fortunate possessor of such a treasure.  
Some men are cognizant of every trifle  
which passes in the family. They  
know how much soap is given out to  
the washwoman, how much salt is  
wasted in the kitchen, how much gas  
is used to heat the rolls, how much  
coal is used an hour in the range, and  
all sorts of things equally unworthy of  
notice by a manly character. Such  
"hussy fellows" (as they call them in  
Scotland) should have a dishcloth  
planned to their coatsails to teach them  
better sense and manners.—New York  
Press.

### WORLD'S BIGGEST CLOCK.

**Huge Timepiece in Jersey City That  
Weighs Nearly Six Tons.**

Mayor H. Otto Wittmann of Jersey  
City pressed an electric button at 3  
o'clock the other afternoon and set in  
motion the biggest clock in the world.  
The huge timepiece is on the top of a  
well known factory in Jersey City and  
is visible for many miles.

Heretofore the Westminster dials on  
the parliament buildings in London  
held the record abroad, with the diam-  
eter of 22½ feet and an area of 398  
square feet, and in the United States  
the dials on the Philadelphia city hall  
were the largest, measuring 25 feet  
across and having an area of 490 square  
feet. The great clock has an area of  
more than twice of either of these, the  
dial being 38 feet across and its area  
1,134 square feet. The minute hand  
is 20 feet long and, with counterpoise,  
weighs nearly one-third of a ton, while  
the ponderous weight that moves the  
mechanism weighs just 2,000 pounds  
and the whole clock approximately six  
tons.

Across the dial of this clock twenty  
men of average size could stand shoul-  
der to shoulder. Instead of the usual  
transparent dial, lighted from behind  
at night, the hands are outlined with  
incandescent lights. Brilliant red lights  
mark each numeral and an incandes-  
cent lamp each minute mark. These  
are twenty-four inches apart. Thus  
the tip end of the hour hand travels  
twenty-four inches every minute, or  
more than half a mile a day.

### Greenland for Tuberculosis.

It is claimed the arctic region is an  
ideal location for the treatment of  
tuberculosis on account of the almost  
perpetual sunshine. It is dustless,  
the air is pure and dry and the unusu-  
al scenes stimulate the desire for ex-  
ercise. Dr. Frederick Bohlen of Wash-  
ington is inclined to believe that a  
Greenland sanitarium is not only a  
medical possibility but a practical busi-  
ness proposition.

### A 6088 GOOD TEMPLAR.

In the state of Iowa many old sol-  
diers are buying 6088, the great North-  
ern blood purifier, for rheumatism,  
catarrh and kidney trouble.

Read this extract from a letter writ-  
ten by Mr. Story Keith, Clinton, Iowa,  
P. C. T., Independent Order of Good  
Templars, to George H. Hazard:

"I have not been as free from rheu-  
matism for a long time as at present,  
and will tell you what has done it—  
Matt J. Johnson's 6088, made in St.  
Paul—perhaps you know of them, if  
so give them my love for they have a  
dandy remedy for the ills that we boys  
are subject to. Everyone in our fam-  
ily is taking it, and all are feeling bet-  
ter. My wife has been so lame she  
could hardly get up from her chair,  
and my back at times gave me lots of  
trouble. Now we are all feeling bet-  
ter, and will keep a bottle on hand at  
all times."

This great remedy is sold by the best  
druggists everywhere. Ask about our  
free trial. Sold and guaranteed by—

**M. K. Swartz, Druggist**  
Brainerd, Minn.

quet Sets, Lawn Mowers that Mow  
and everything else in the hardware  
line.

616 Laurel Street.

Brainerd, Minn.

RECEPTION TO  
BRIDAL COUPLE  
Swell Function Given Friday Even-  
ing in Honor of Mr. and Mrs.  
Brockway

THE RAIN KEPT MANY AWAY  
About One Hundred People  
Braved Storm to Congratu-  
late Newly Wedded Pair

A very elaborately planned and successfully carried out reception was given Friday evening at the studio of Miss Marie Canan in honor of Mr. and Mrs. Carl Brockway, who were wedded at Jamestown, at high noon, Wednesday, June 3. The large hall in the Walverman block was used for a reception hall and was decorated along oriental lines, huge Japanese umbrellas and oriental rugs being largely in evidence. Here stood the receiving party which consisted of the bride and groom, Mr. and Mrs. Thos. Canan, of Jamestown, N. D., parents of the bride, Mr. and Mrs. Alfred Brockway, parents of the groom, and Fred Brockway, a brother of the groom and Maud Canan, a sister of the bride, who supported them at the ceremony.

Despite the weather, which kept many at home, over 100 of the friends of the happy couple were present to extend congratulations. They were received in the hall as mentioned above and then drifted into the studio and other rooms all of which were decorated handsomely. The dining room was especially beautiful, red, white and green being the color scheme, cut flowers, ferns, smilax, etc., being in profusion not only in this room but throughout the apartments. Ice cream and cake were served, the dining room being presided over by Mrs. M. J. Reilly, assisted by Misses Mabel O'Brien, Maud O'Brien, Mayme Cullen, Kittie Reilly, Carrie Tyler and Carrie Morrison, while the frappe bowl was in charge of Misses Emily Quinn, Mayme Reilly, Vivian Reilly and Lilian Smith.

Miss Marie Canan was assisted in her duties as hostess by Mrs. Grandelmeier and Mrs. Herman Linnemann. The arrangements of the affair were well nigh perfect and the success was marred only by the elements, the pouring rain keeping many of the friends who lived in the outer parts of the city from attending.

Mr. and Mrs. Brockway are great favorites with a large circle of friends in this city and all join THE DISPATCH in wishing them long life and much happiness.

MADE SUCCESSFUL TRIP  
General Manager Gemmell Returned  
Friday Evening From Trip Over  
Line in New Motor Car

General Manger Gemmell made his first trip over the line this week with his new motor car. He left here Wednesday forenoon making an easy run to Bemidji, where he stayed that night. The next morning he left Bemidji at 6 o'clock for International Falls, which he reached the same afternoon at 1:50. That afternoon was spent at International Falls and he left there Friday morning at 7 o'clock, stopping over four hours on the way and reaching Brainerd before 10 o'clock last night, making an average of over 20 miles an hour. From Bemidji to Walker he made 30 miles in 80 minutes, and that against a heavy head wind. Mr. Gemmell is much pleased with his machine and states that it is the best thing he ever saw for track inspection.

Consult your doctor freely about medical matters. He knows. Trust him. Do as he says. Follow his advice.

CIVIC LEAGUE NOTES

The Good Work is Progressing---  
Brainerd is Fast Coming  
to Its Own

The work in the railroad parks is nearing completion and all beauty loving citizens are noting the improvement with pleasure. It is noted however, that there are those who will sacrifice almost anything for the sake of convenience. It will be observed that some are already using the "short cut" across the park on the south side of the tracks. If there are those who do not appreciate these things the police should be used to remind them that there are others who do. Prominent citizens have labored to secure this improvement and many have contributed to make up the deficit. This was not done for the convenience of a few but for the pleasure of the many.

The dandelions are now at their most dangerous stage. A beautiful city cannot be had if these are allowed to thrive. Spend a few moments on your lawn each day. You will soon eradicate them if you do.

South Sixth street residents continue to improve their boulevards. There yet remains a few places unimproved and it is hoped that these will soon be placed in proper condition. When this is done property will increase in value and this street will become one of the best in the city.

The best lawns are not all on the north side altho the general good care given lawns in this section makes them more conspicuous. Every portion of our city has a number of house where the appearance of the surroundings is as neat and clean as one should desire.

Don't wait for the other fellow—do your share in this work and he will be more apt to do his.

QUICKEST ON RECORD

Jud Freeman Made the Quickest  
Drive Between Brainerd and Little  
Falls in History of River

The quickest log drive in the history of the Mississippi river is said to have occurred last week when Jud Freeman towed the wangers up from Little Falls in three days and made the return in four days, making the drive from here to Ft. Ripley in one day. This is easily the best record in the history of log driving on the upper Mississippi and Mr. Freeman has reason to feel proud of his achievement.

CHANGE ON M. & I.

Change of Time will Take Effect To-  
morrow on Minnesota & Inter-  
national Railroad

A new time card takes effect on the Minnesota & International railroad. By this change the passenger will arrive from the north at 1:00 p. m. instead of 12:10 p. m., and will leave for the north at 2:00 p. m. instead of 2:25 p. m., reaching International Falls at a correspondingly earlier hour. Owing to the change of time on the Northern Pacific railroad the Minnesota & International train will not connect with the Northern Pacific trains No. 11 and No. 12, but passengers to and from the east and west will use trains No. 13 and No. 14.

Dies of Ptomaine Poisoning.

Chicago, June 6.—Dr. Michael N. Regent of this city, who was convicted ten years ago of conspiracy to defraud a fraternal organization, is dead of ptomaine poisoning, due, it is believed, to the eating of a caviare sandwich. It was proved at the trial that Dr. Regent and others had procured bodies of unfortunates who had died and had buried them as mythical persons under whose names insurance policies had been issued by the organization. He served several years of a penitentiary sentence and was pardoned.

Killed by Infected Milk.

Columbia, Mo., June 6.—George Taylor, a farmer living near this place, is dead, and his two daughters are critically ill as a result, it is believed, of drinking infected milk. All three members of the family, who were taken sick at the same time, had been drinking milk. It is thought the cows late some poisonous weed.

LIGHTNING STRUCK  
ON SO. SIXTH ST.

Tree in Yard of Clarence Smith  
was Shattered and Fence  
Badly Damaged

THERE WAS NO ONE INJURED

Parties Living in that Vicinity  
Felt the Shock and Were  
Badly Frightened

The family of Clarence Smith had a narrow escape from death from lightning about 7:30 o'clock Friday evening. A large jack pine tree standing in the corner of the yard was shattered and there the top rail of the fence was split to the gate post. A piece of the casing of the post was thrown clear across Sixth street onto the place owned by Fred Kimball. An anchor post belonging to the telephone company was also split.

At the time the bolt struck Mrs. Smith and their little one were standing in the front door only a few feet from the tree. Though they felt the shock they were not injured. Others in that vicinity also felt the current and everyone around there was frightened. The peal of thunder was so heavy that it was especially noticed up town several persons remarking that it must have struck inside the city somewhere.

For Rent

My cottage at Deerwood on the bank of Serpent lake, four blocks from the postoffice, consisting of five rooms furnished, ice, wood, rowboat and telephone in connection, will be ready for rent June 15.  
HARRY PATTERSON.

FLOODS IN MONTANA.

Situation in That State Constantly  
Growing Worse.

Missoula, Mont., June 6.—The flood situation in Montana is growing more serious each minute.

There is no communication east of Missoula by rail or by telegraph. All the streams continue to rise. The Big Blackfoot river is nearing its highest flood mark.

The Northern Pacific has lost several miles of track east of here. At Garrison nearly all the residents have fled from their homes and are camped on the hills in the rain.

The damage to the new roadbed of the St. Paul line between Missoula and Butte will not fall short of \$1,000,000, and it is becoming greater all the time.

Butte and Helena are isolated so far as traffic is concerned and several smelters will be forced to close for lack of ore.

FLOOD CONDITIONS.

Prevail in All the Rivers in Kansas  
and Oklahoma.

Kansas City, June 6.—Flood conditions prevail in all the rivers in Kansas and Oklahoma, owing to the torrential rains which have fallen every day during the past week. The Kaw and its tributaries are out of their banks in many places and have destroyed crops and washed away livestock and buildings. The losses around Independence, Kan., are estimated at several hundred thousand dollars. At various points in the Kaw watershed the railroad tracks are washed out. In Kansas City the Missouri and the Kaw rivers have almost reached the danger point, but no damage has been done and none is expected.

PAY BIG FINES.

Packing Companies and Railroad Were  
Convicted of Rebating.

Kansas City, June 6.—Three packing companies and one railroad company, convicted in 1906 of rebating and sentenced to pay fines aggregating \$60,000, handed to the clerk of the United States court a check for the total amount of their fines, plus costs. Each of the fines was for \$15,000. Those paid were Armour Packing company, Cudahy Packing company, Swift & Co. and the Chicago, Burlington and Quincy railroad.

The convictions were the first important ones under the interstate commerce law. The packers and the railroad company were convicted and fined in June, 1906, in the federal court at Kansas City. The judgments were affirmed in the United States supreme court.

There is still a fine of equal amount unpaid against the Morris Packing company of this city.

MUSIC AND DRAMA

Coming Attractions  
June 15—"Belles of Minstrelsy."

Piano Recital

The piano recital given by the pupils of St. Cecilia's hall Friday afternoon in Elk's hall was well attended for an afternoon musical and was well enjoyed. The numbers were all well executed and showed careful preparation not only on the part of the pupils but of Sister Josephine, who has charge of the musical work of the hall. The work of the smaller pupils was especially creditable and bears out the theory that the musical education of a child is more often delayed too long rather than commenced too soon.

BASE BALL NOTES

At 8 o'clock last evening there was held a meeting of the members of the City Base Ball League to elect a president, vice-president and secretary-treasurer and to hear a reading of the constitution of the league. The following officers were elected:

President—A. Lagerquist.  
Vice Pres.—W. H. Cleary.  
Sec. Treas.—Dr. Jos. Nicholson.

These officers are the officers of the league and also of the board of managers; they are also members of the board of managers. This board has a membership of nine.

Immediately after the meeting of the league was adjourned the board of managers met in special session and the constitution was amended—so that the board of managers now have the power to elect an official scorer; upon this passing they elected Mr. Manville as official scorer.

They also fixed upon dates when the games that have been postponed for one reason or other shall be played as follows:

From May 18—N. P. Office vs. Y. M. C. A. Second to Tuesday, June 9.

From May 13—South Side vs. North Star Juniors t Thursday, June 11.

From June 5—North Star Juniors vs. Y. M. C. A. First to Tuesday, June 16.

From May 11—Y. M. C. A. Second vs. N. E. Brainerd to Thursday, June 18.

From May 25—North Star Juniors vs. Y. M. C. A. Second to Tuesday, June 23.

It will be noted that the game that was to be played last night between the North Star Juniors vs. Y. M. C. A. First team is set for Tuesday, June 16.

What Shall We Have for Dessert?

Try JELL-O, the dainty, appetizing, economical dessert. Can be prepared instantly—simply add boiling water and serve when cool. Flavored just right, sweetened just right, perfect in every way. A 10c package makes enough dessert for a large family. All grocers sell it. Don't accept a substitute. JELL-O complies with all Pure Food Laws. 7 flavors—Lemon, Orange, Raspberry, Strawberry, Chocolate, Cherry, Peach.

Presbyterian church: Morning services at 10:30. Sunday school at 11:50. Christian Endeavor at 7:00. Evening service at 8:00 o'clock. Prayer meeting Thursday evening at 7:45. All are always welcome. Rev. J. F. McLeod, pastor.

Y. M. C. A.—Men's meeting every Sunday afternoon at 3:30. All men are welcome. Good music and speaking at every meeting.

PILES CURED AT HOME BY  
NEW ABSORPTION METHOD

If you suffer from bleeding, itching, blind or protruding Piles, send me your address, and I will tell you how to cure yourself at home by the new absorption treatment; and will also send some of this home treatment free for trial, with references from your own locality if requested. Immediate relief and permanent cure assured. Send no money but tell others of this offer. Write today to Mrs. M. Summers, Box P, South Bend, Ind.

University Degrees.  
"You are making great strides in the world of science," remarked his complimentary friend.

"Yes, I am advancing by degrees," modestly admitted the M. D., LL. D., Ph. D., etc.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

"My present patient," said the pretty nurse, "is a very peevish millionaire."

"Never mind. He may ask you to marry him."

"Yes; he may. He has about run out of other requests."—St. Paul Pioneer Press.

D. Byron Whitford, formerly of Brainerd, who has been touring Iowa and Wisconsin with Halowell's Harp Orchestra, has returned to the city and will give instruction on the violin. For terms, etc, apply

1024 S. 6th Tel. 269J5

A Real Sport.  
Young Mrs. McWade sighed. "Come," she said, "let's aim to be very fond of the turf, and yet—"  
She pointed to the overgrown and untenanted garden.  
"I find it quite impossible to make him touch the lawnmower."

WORK WEAKENS THE KIDNEYS

Doan's Kidney Pills Have Done Great  
Service for People Who Work  
in Brainerd

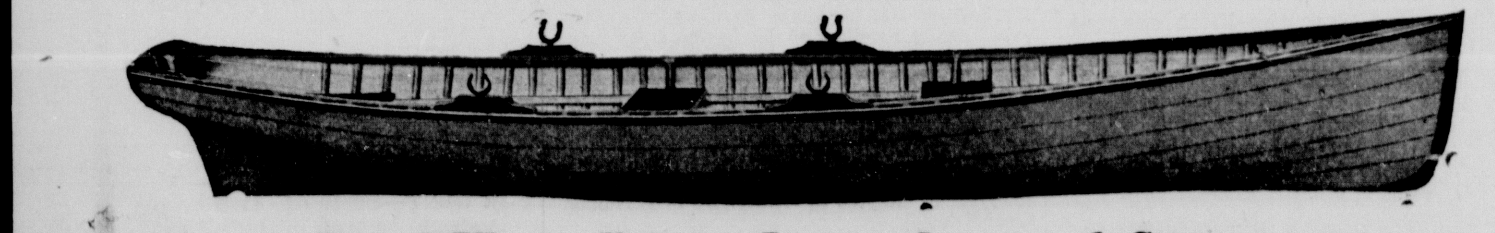

Most Brainerd people work every day in some strained, unnatural position—bending constantly over a desk—riding on jolting wagons or cars—doing laborious housework; lifting, reaching or pulling or trying the back in a hundred and one other ways. All these strains tend to wear, weaken and injure the kidneys until they fall behind in their work of filtering the poisons from the blood. Doan's Kidney Pills cure sick kidneys, put new strength in bad backs. Brainerd cures prove it.

Mrs. J. A. Johnson, living at 611 10th St. South, Brainerd, Minn., says: "My husband's work brings a constant severe strain on the muscles of the back and it recently caused an attack of kidney trouble. His trouble became worse whenever he took cold and he was often so lame and sore that it was hard for him to move about. There was also an irregular action of the kidneys. Seeing Doan's Kidney Pills advertised he procured a box at H. P. Dunn's drug store, and they proved most beneficial, correcting the kidney trouble and removing the pain and lameness in his back. I also used Doan's Kidney Pills with the most gratifying results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doans—and take no other.

## RECEPTION TO BRIDAL COUPLE

Swell Function Given Friday Evening in Honor of Mr. and Mrs. Brockway

## THE RAIN KEPT MANY AWAY About One Hundred People Braved Storm to Congratulate Newly Wedded Pair

A very elaborately planned and successfully carried out reception was given Friday evening at the studio of Miss Marie Canan in honor of Mr. and Mrs. Carl Brockway, who were wedded at Jamestown, at high noon, Wednesday, June 3. The large hall in the Walverman block was used for a reception hall and was decorated along oriental lines, huge Japanese umbrellas and oriental rugs being largely in evidence. Here stood the receiving party which consisted of the bride and groom, Mr. and Mrs. Thos. Canan, of Jamestown, N. D., parents of the bride, Mr. and Mrs. Alfred Brockway, parents of the groom, and Fred Brockway, a brother of the groom and Maud Canan, a sister of the bride, who supported them at the ceremony.

Despite the weather, which kept many at home, over 100 of the friends of the happy couple were present to extend congratulations. They were received in the hall as mentioned above and then drifted into the studio and other rooms all of which were decorated handsomely. The dining room was especially beautiful, red, white and green being the color scheme, cut flowers, ferns, smilax, etc., being in profusion not only in this room but throughout the apartments. Ice cream and cake were served, the dining room being presided over by Mrs. M. J. Reilly, assisted by Misses Mabel O'Brien, Maud O'Brien, Mayme Cullen, Kittie Reilly, Carrie Tyler and Carrie Morrison, while the frappe bowl was in charge of Misses Emily Quinn, Mayme Reilly, Vivian Reilly and Lilian Smith.

Miss Marie Canan was assisted in her duties as hostess by Mrs. Grandmeyer and Mrs. Herman Linnemann. The arrangements of the affair were well high perfect and the success was marred only by the elements, the pouring rain keeping many of the friends who lived in the outer parts of the city from attending.

Mr. and Mrs. Brockway are great favorites with a large circle of friends in this city and all join THE DISPATCH in wishing them long life and much happiness.

## MADE SUCCESSFUL TRIP

General Manager Gemmell Returned Friday Evening From Trip Over Line in New Motor Car

General Manager Gemmell made his first trip over the line this week with his new motor car. He left here Wednesday forenoon making an easy run to Bemidji, where he stayed that night. The next morning he left Bemidji at 6 o'clock for International Falls, which he reached the same afternoon at 1:50. That afternoon was spent at International Falls and he left there Friday morning at 7 o'clock, stopping over four hours on the way and reaching Brainerd before 10 o'clock last night, making an average of over 20 miles an hour. From Bemidji to Walker he made 30 miles in 80 minutes, and that against a heavy head wind. Mr. Gemmell is much pleased with his machine and states that it is the best thing he ever saw for track inspection.

## School Report

Report for month ending May 29th in Dist. 24:

No. enrolled.....17  
No. days taught.....20  
Average daily attendance.....13  
Those neither absent or tardy during month: Mark Roderick, Lydia Roderick, Charlie Dykeman, Arthur Dykeman, Myrtle Dykeman, Conrad Huseby, Edna Huseby, Jennie Huseby.  
Visitors during month, Walter Caughey, J. Anderson.

FLORA M. CAUGHEY,  
Teacher.

## He Knows

Consult your doctor freely about medical matters. He knows. Trust him. Do as he says. Follow his advice.

## CIVIC LEAGUE NOTES

The Good Work is Progressing—Brainerd is Fast Coming to Its Own

The work in the railroad parks is nearing completion and all beauty loving citizens are noting the improvement with pleasure. It is noted however, that there are those who will sacrifice almost anything for the sake of convenience. It will be observed that some are already using the "short cut" across the park on the south side of the tracks. If there are those who do not appreciate these things the police should be used to remind them that there are others who do. Prominent citizens have labored to secure this improvement and many have contributed to make up the deficit. This was not done for the convenience of a few but for the pleasure of the many.

The dandelions are now at their most dangerous stage. A beautiful city cannot be had if these are allowed to thrive. Spend a few moments on your lawn each day. You will soon eradicate them if you do.

South Sixth street residents continue to improve their boulevards. There yet remains a few places unimproved and it is hoped that these will soon be placed in proper condition. When this is done property will increase in value and this street will become one of the best in the city.

The best lawns are not all on the north side altho the general good care given lawns in this section makes them more conspicuous. Every portion of our city has a number of house where the appearance of the surroundings is as neat and clean as one should desire.

Don't wait for the other fellow—do your share in this work and he will be more apt to do his.

## QUICKEST ON RECORD

Jud Freeman Made the Quickest Drive Between Brainerd and Little Falls in History of River

The quickest log drive in the history of the Mississippi river is said to have occurred last week when Jud Freeman towed the wangers up from Little Falls in three days and made the return in four days, making the drive from here to Ft. Ripley in one day. This is easily the best record in the history of log driving on the upper Mississippi and Mr. Freeman has reason to feel proud of his achievement.

## CHANGE ON M. & I.

Change of Time will Take Effect Tomorrow on Minnesota & International Railroad

A new time card takes effect on the Minnesota & International railroad. By this change the passenger will arrive from the north at 1:00 p. m. instead of 12:10 p. m., and will leave for the north at 2:00 p. m. instead of 2:25 p. m., reaching International Falls at a correspondingly earlier hour. Owing to the change of time on the Northern Pacific railroad the Minnesota & International train will not connect with the Northern Pacific trains No. 11 and No. 12, but passengers to and from the east and west will use trains No. 13 and No. 14.

## Dies of Ptomaine Poisoning.

Chicago, June 6.—Dr. Michael N. Regent of this city, who was convicted ten years ago of conspiracy to defraud a fraternal organization, is dead of ptomaine poisoning, due, it is believed, to the eating of a caviare sandwich. It was proved at the trial that Dr. Regent and others had procured bodies of unfortunates who had died and had buried them as mythical persons under whose names insurance policies had been issued by the organization. He served several years of a penitentiary sentence and was pardoned.

## Killed by Infected Milk.

Columbia, Mo., June 6.—George Taylor, a farmer living near this place, is dead, and his two daughters are critically ill as a result, it is believed, of drinking infected milk. All three members of the family, who were taken sick at the same time, had been drinking milk. It is thought the cows ate some poisonous weed.

## LIGHTNING STRUCK ON SO. SIXTH ST.

Tree in Yard of Clarence Smith was Shattered and Fence Badly Damaged

THERE WAS NO ONE INJURED

Parties Living in that Vicinity Felt the Shock and Were Badly Frightened

The family of Clarence Smith had a narrow escape from death from lightning about 7:30 o'clock Friday evening. A large jack pine tree standing in the corner of the yard was shattered and there the top rail of the fence was split to the gate post. A piece of the casing of the post was thrown clear across Sixth street onto the place owned by Fred Kimball. An anchor post belonging to the telephone company was also split.

At the time the bolt struck Mrs. Smith and their little one were standing in the front door only a few feet from the tree. Though they felt the shock they were not injured. Others in that vicinity also felt the current and everyone around there was frightened. The peal of thunder was so heavy that it was especially noticed up town several persons remarking that it must have struck inside the city somewhere.

## For Rent

My cottage at Deerwood on the bank of Serpent lake, four blocks from the postoffice, consisting of five rooms furnished, ice, wood, rowboat and telephone in connection, will be ready for rent June 15.

HARRY PATTERSON.

## FLOODS IN MONTANA.

Situation in That State Constantly Growing Worse.

Missoula, Mont., June 6.—The flood situation in Montana is growing more serious each minute.

There is no communication east of Missoula by rail or by telegraph. All the streams continue to rise. The Big Blackfoot river is nearing its highest flood mark.

The Northern Pacific has lost several miles of track east of here. At Garrison nearly all the residents have fled from their homes and are camped on the hills in the rain.

The damage to the new roadbed of the St. Paul line between Missoula and Butte will not fall short of \$1,000,000, and it is becoming greater all the time.

Butte and Helena are isolated so far as traffic is concerned and several smelters will be forced to close for lack of ore.

## FLOOD CONDITIONS.

Prevail in All the Rivers in Kansas and Oklahoma.

Kansas City, June 6.—Flood conditions prevail in all the rivers in Kansas and Oklahoma, owing to the torrential rains which have fallen every day during the past week. The Kaw and its tributaries are out of their banks in many places and have destroyed crops and washed away livestock and buildings. The losses around Independence, Kan., are estimated at several hundred thousand dollars. At various points in the Kaw watershed the railroad tracks are washed out. In Kansas City the Missouri and the Kaw rivers have almost reached the danger point, but no damage has been done and none is expected.

## PAY BIG FINES.

Packing Companies and Railroad Were Convicted of Rebating.

Kansas City, June 6.—Three packing companies and one railroad company, convicted in 1906 of rebating and sentenced to pay fines aggregating \$60,000, handed to the clerk of the United States court a check for the total amount of their fines, plus costs. Each of the fines was for \$15,000. Those paid were Armour Packing company, Cudahy Packing company, Swift & Co. and the Chicago, Burlington and Quincy railroad.

The convictions were the first important ones under the interstate commerce law. The packers and the railroad company were convicted and fined in June, 1906, in the federal court at Kansas City. The judgments were affirmed in the United States supreme court.

There is still a fine of equal amount unpaid against the Morris Packing company of this city.

## MUSIC AND DRAMA

### Coming Attractions

June 15—"Belles of Minstrelsy."

### Piano Recital

The piano recital given by the pupils of St. Cecilia's hall Friday afternoon in Elk's hall was well attended for an afternoon musical and was well enjoyed. The numbers were all well executed and showed careful preparation not only on the part of the pupils but of Sister Josephine, who has charge of the musical work of the hall. The work of the smaller pupils was especially creditable and bears out the theory that the musical education of a child is more often delayed too long rather than commenced too soon.

## BASE BALL NOTES

At 8 o'clock last evening there was held a meeting of the members of the City Base Ball League to elect a president, vice-president and secretary-treasurer and to hear a reading of the constitution of the league. The following officers were elected:

President—A. Lagerquist.

Vice Pres.—W. H. Cleary.

Sec. Treas.—Dr. Jos. Nicholson.

These officers are the officers of the league and also of the board of managers; they are also members of the board of managers. This board has a membership of nine.

Immediately after the meeting of the league was adjourned the board of managers met in special session and the constitution was amended—so that the board of managers now have the power to elect an official scorer; upon this passing they elected Mr. Manville as official scorer.

They also fixed upon dates when the games that have been postponed for one reason or other shall be played as follows:

From May 18—N. P. Office vs. Y. M. C. A. Second to Tuesday, June 9.

From May 13—South Side vs. North Star Juniors Thursday, June 11.

From June 5—North Star Juniors vs. Y. M. C. A. First to Tuesday, June 16.

From May 11—Y. M. C. A. Second vs. N. E. Brainerd to Thursday, June 18.

From May 25—North Star Juniors vs. Y. M. C. A. Second to Tuesday, June 23.

It will be noted that the game that was to be played last night between the North Star Juniors vs. Y. M. C. A. First team is set for Tuesday, June 16.

What Shall We Have for Dessert?

Try JELL-O, the dainty, appetizing, economical dessert. Can be prepared instantly—simply add boiling water and serve when cool. Flavored just right; sweetened just right; perfect in every way. A few packages makes enough dessert for a large family. All grocers sell it. Don't accept a substitute. JELL-O complies with all Pure Food Laws. 7 flavors: Lemon, Orange, Raspberry, Strawberry, Chocolate, Cherry, Peach.

## Where to Worship

St. Francis' Catholic church: Service will be held at 8:30 a. m. and 10:30 a. m. Sunday school at 2 o'clock p. m., vespers and benediction 8 o'clock p. m., mass on week days 7:30 a. m., except on Tuesdays and Saturdays, when mass is at St. Joseph's hospital. Rev. J. J. O'Mahoney, pastor.

Swedish Lutheran church: Morning service at 10:30; Sunday school at 12 a. m. Evening services 7:45 p. m. Rev. J. E. Oslund, pastor.

Christian Scientists: Services every Sunday at 10:45 a. m., in the Cale hall, 620 1/2 Front street. No evening services. All are welcome. Sunday school at 11:45 a. m.

Swedish Mission church, Cor. Maple and Ninth street south: Morning service at 10:45 a. m., evening service at 7:45 p. m., Sunday school noon. Midweek service on Thursday evening at 8 p. m. Rev. C. V. S. Engstrom, pastor.

Norwegian Lutheran church, 7th St. south, between Laurel and Maple streets: Services at 10:30 in the morning and at 7:30 in the evening. Sunday school at 12 m. Sunday school in both the Norwegian and English languages.

First Baptist church: Morning service at 10:30, Sunday school at 12:00 m. Junior society at 3 p. m. Young Peoples' society at 7:30 p. m. Evening service 8:30. Rev. J. E. Abramson, pastor.

People's Congregational church: Preaching 10:45 a. m., Sunday school 12 o'clock, noon. Y. P. S. C. E. at 7:00 p. m. Evening service at 8:00 p. m. Thursday evening—Junior Endeavor at 4:30 o'clock, Prayer meeting 7:30 o'clock. Everybody cordially invited. Rev. F. L. Kirk, pastor.

Evangelical church: Sunday school at 10 a. m., morning service at 11 a. m., Y. P. A. at 6:45 p. m. Evening service 7:45. A cordial invitation is extended to all. Strangers especially welcome. H. A. Seder, pastor.

Swedish Baptist: Sunday school at 9:30 a. m. Preaching at 10:45 a. m. Young Peoples' Society meeting at 5 p. m. Preaching 8 p. m. Mid-week meeting Thursday evening at 8 o'clock. Oscar S. Jacobson, Pastor.

Norwegian-Danish Lutheran church, near corner 10th and Bluff Avenue. Unless otherwise announced the following order will be observed as nearly as possible: Morning services 10:30 a.

m., first and third Sunday every month. Evening services at 7:45 p. m., every Sunday in the month except the 4th, when the pastor is regularly at Pequot. No evening services Easter day, Pentecost or similar occasions. C. Hougstad, pastor.

Swedish M. E. church: Kindred St. N. E. Services every Sunday at 10:45, Sunday school at noon every Sunday. Rev. Oscar Grefberg, pastor.

First Congregational church, corner Juniper and Fifth streets: Public worship at 10:30 a. m., and 8:00 p. m. Sunday school 12, Young Peoples' Society at 6:30 p. m. Rev. G. E. Moorehouse, pastor.

The pastor will preach at both services on Sunday. Morning subject: "Whit Sunday and its Teaching." Evening subject: "The Gladness of 'Goodness.'" Midweek service Thursday at 8 p. m., subject "God's Word and Works." A cordial invitation to all these services is extended to all who are not attending services in the other churches. The pastor especially invites all Congregationalists in the city to attend the services and make themselves known to him.

First Methodist Episcopal church, corner of Juniper and Sixth streets. Morning service at 10:30, Sunday school at 12, Epworth League 6:45 p. m. Evening service at 7:45 o'clock. Rev. Charles Fox Davis, pastor.

Morning theme, "God's Hall of Fame." Evening, "Folks Who do Good Without Silver and Gold." Special solos morning and evening. Evening service at 8 o'clock.

St. Paul's Episcopal church. Holy communion 8:30 a. m., except first Sunday in each month. Then 10:30 a. m. Morning prayer, litany and sermon at 10:30 a. m., Sunday School at noon. Evening prayer and sermon 7:30 p. m.

Presbyterian church: Morning services at 10:30. Sunday school at 11:50. Christian Endeavor at 7:00. Evening service at 8:00 o'clock. Prayer meeting Thursday evening at 7:45. All are always welcome. Rev. J. F. McLeod, pastor.

Y. M. C. A.—Men's meeting every Sunday afternoon at 3:30. All men are welcome. Good music and speaking at every meeting.

## PILES CURED AT HOME BY NEW ABSORPTION METHOD

If you suffer from bleeding, itching, blind or protruding Piles, send me your address, and I will tell you how to cure yourself at home by the new absorption treatment; and will also send some of this home treatment free for trial, with references from your own locality if requested. Immediate relief and permanent cure assured. Send no money but tell others of this offer. Write today to Mrs. M. Summers, Box P, South Bend, Ind.

## University Degrees.

"You are making great strides in the world of science," remarked his complimentary friend.

"Yes, I am advancing by degrees," modestly admitted the M. D., LL. D., Ph. D., etc.

## \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

"My present patient," said the pretty nurse, "is a very peevish millionaire."

"Never mind. He may ask you to marry him."

"Yes; he may. He has about run out of other requests."—St. Paul Pioneer Press.

We are so certain that Itching, Bleeding and Protruding Piles can always be relieved and absolutely cured by this ointment that we positively guarantee satisfaction or money refunded.

**VIOLENT STORMS.**  
Create Havoc in South Central Nebraska.  
Lincoln, Neb., June 6.—Violent storms of wind and rain, amounting in places to tornadoes, prevailed in South Central Nebraska. Telegraphic and telephone service is badly demoralized in the portions visited, but it is known that four towns, Franklin, Fairfield, Chester and Inavale, were hit and there were some fatalities. The property damage has been extensive and a number of persons have been injured. A special to the State Journal from Fairfield, Clay county, says a tornado cloud descended, striking the west part of the town. Thirty residences were damaged, some of them badly. The Congregational and Christian churches were destroyed. The Baptist church damaged and the high school building partly demolished. A number of persons were hurt, none, it is thought, seriously. Much live stock was killed and crops ruined.  
The Blue river is out of its banks at Beatrice and rising rapidly, following the heaviest rain of the year. The bridge across the Blue is unsafe and is in danger of going out.

**TWO KILLED BY TORNADO**  
Several Other Persons Are Injured in Nebraska.  
Geneva, Neb., June 6.—A tornado which passed near Geneva caused two deaths, fatally injured two other persons and destroyed several thousands of dollars' worth of property. One mile west of Geneva the farmhouse of John H. Shively was struck and totally demolished. Mr. Shively's four-year-old daughter and a young woman named Smith were instantly killed. Mr. Shively was fatally injured, a farm hand named Fussell was probably fatally hurt, while Mrs. Shively and a young son sustained serious injuries. The storm wrecked a number of other buildings in the vicinity, including the engine house of the industrial school for girls. Several other persons are reported injured, but none fatally.

**Victims of a Tornado.**  
Kearney, Neb., June 6.—Additional reports received from the districts hit by Thursday's tornado tell of at least two fatalities and indicate additional damage by the storm. Near Boelus, ten miles northwest of here, Ene Voldson and his wife were killed in their home near town and their house was wrecked. In the town of Boelus a number of buildings were partially wrecked and three persons injured, none fatally. Crops in the path of the storm were almost entirely destroyed.

**Tornado Kills One Man.**  
Franklin, Neb., June 6.—Two tornadoes passed just east of this place about one hour apart, causing one death and doing great damage to property. Henry Madison was caught in the center of the storm and killed. Probably twenty houses within five miles of town are completely wrecked. A large amount of livestock was killed. All telephone wires are down and a full report is unobtainable at present.

**Flood Does Heavy Damage.**  
Hot Springs, S. D., June 6.—A down-fall of rain amounting to a cloudburst again has swept down the Fall river, undoing much of the repair work the railroads had done both on their bridges and track, and working new havoc on the saturated banks and unprotected tracks, much new track being washed away. The damage to the town from the second flood is much greater than from the first one amounting to \$75,000.

**WITHOUT ROLL CALL**  
Republican National Committee Decides Contests.  
ALL ARE IN FAVOR OF TAFT  
Delegates From Alabama and Arkansas Who Are Instructed for the Secretary of War Are Seated—Action of Hitchcock Causes Trouble.

Chicago, June 6.—Without roll call the Republican national committee decided the contests from Alabama and Arkansas, involving twenty-four seats in the Republican national convention, in favor of the delegates instructed for Secretary Taft. The victory for the Taft forces was sweeping, not even a division being required to determine the will of the committee. Contests from Florida, Georgia and Kentucky next will be heard, the total number of seats affected being 34. The proceedings would have been devoid of interest had it not been for an effort to prevent Frank H. Hitchcock, the Taft manager, and Arthur F. Statter, former assistant secretary of the treasury, and Charles G. Phelps of Washington, both assistants to Mr. Hitchcock, from sitting in judgment on the contests. These men held proxies of the members of the national committee from New Mexico, Alaska and North Dakota, respectively. Their entrance into the executive session of the national committee provoked Joseph B. Keating, United States attorney for the district of Indiana, manager for Vice President Fairbanks, and Representative James Francis Burke of Pennsylvania, who acts in a similar capacity for Senator Knox, to make vehement protests from the outside.

**Protest Reduced to Writing.**  
After a hurried conference between representatives of all the anti-Taft forces, it was decided to reduce the protests to writing and have them presented to the committee before the contests were taken up.

When this had been done the protests were sent to W. F. Aldrich, formerly a member of congress from Alabama, and one of the contesting delegates at large from the Scott-Davidson anti-Taft delegation from that state, who presented them to the committee. They recite the fact that Mr. Hitchcock is directly interested in the management of one of the candidates directly involved in the case, and "therefore disqualified to sit in judgment" upon it. It also declared that Mr. Hitchcock did not reside, and is not a qualified voter in the territory he claims to represent, and was not a regularly or properly chosen national committeeman from the territory. The same representations were made in regard to Messrs. Statter and Phelps, except that they were termed "employees" instead of "managers" for one of the candidates.

Debate on the question was shut off by A. M. Stevenson, the member from Colorado, who promptly moved to lay the protest on the table. The motion carried. The Alabama contests, twenty-two in all, were then taken up.

The Alabama cases, by agreement of all parties concerned, were consolidated and two hours were given to each side. It was regarded as the most important of all the contests, because of the fact that twenty-two delegates were involved, and it is first in the list of states that will be called in the convention when nomination are being made. The candidate securing the delegation from Alabama is sure to be the first placed in nomination, because the state, having no candidate of its own, always yields to that state presenting the candidate favored by Alabama.

**First to File Its Contest.**

The Scott-Davidson faction, being the first to file its contest, was given one and one-half hours to open, the Thompson faction following with two hours, and the Scott-Davidson people closing in half an hour. The principal arguments in the opening for the Scott-Davidson people was made by Judge Asa E. Stratton of Montgomery, a leader of the anti-trust forces. He used almost all the time allotted to his side for the opening, although Mr. Aldrich and J. H. Manning, postmaster at Alexander, spoke briefly. The latter charged that the Taft convention had been controlled by federal officeholders and directed from Washington.

The Taft forces, under the general direction of Ormsby McHarg of Washington, D. C., were represented by O. D. Street, William Fairley and N. H. Alexander, a colored man of Montgomery. The legal argument was made by Mr. Street.

All except members of the national committee were excluded from the room at 4:15 p. m. and a few minutes later it was known that the Taft delegates had been seated.

The Arkansas contest, involving the two delegates from the Fifth congressional district, was then taken up. Only half an hour was devoted to it, and the committee voted without a dissenting voice to seat the delegation instructed for Secretary Taft.

**Bubonic Plague in Trinidad.**

Port of Spain, Trinidad, June 6.—There have been two cases of bubonic plague here, both of which proved fatal. No new cases have been reported and every precaution is being taken to prevent a recurrence of the disease.

**Mayor Busse Married.**  
Chicago, June 5.—The information has just become public that Mayor Busse was married on April 29 to Miss Josephine Lee of this city. The mayor confirmed the report. The ceremony was performed by Judge Theodore Brentano, there being but five people in all present at the time of the marriage. Unusual steps were taken to keep the story quiet and even the immediate relatives of the mayor were not informed of his marriage.

**Famous Centenarian Dead.**  
Marysville, Kan., June 6.—Dr. William F. Boyakin, the famous centenarian, died in his 102nd year. He was reared in Tennessee and General Andrew Jackson gave him a college education and assisted him in the study of law. He afterward took up medicine practice until 1834 and then became a Baptist minister. In 1857 he went to Oregon territory and campaigned in favor of statehood.

**Attempts Murder and Suicide.**  
Portsmouth, O., June 6.—Charles Webb, a laborer, shot and killed his sister-in-law, Mrs. Lucy Webb, and then turned the weapon upon himself, near New Boston. He is dying. The motive for the shooting is unknown.

**The Badge of Honesty**  
Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherrybark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

"The 'Golden Medical Discovery' makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and, through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the 'All-Healing Salve' will reach you by return post.  
You can't afford to accept a secret preparation as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.  
Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

## VIOLENT STORMS.

Create Havoc in South Central Nebraska.

Lincoln, Neb., June 6.—Violent storms of wind and rain, amounting in places to tornadoes, prevailed in South Central Nebraska. Telegraphic and telephone service is badly demoralized in the portions visited, but it is known that four towns, Franklin, Fairfield, Chester and Inavale, were hit and there were some fatalities. The property damage has been extensive and a number of persons have been injured. A special to the State Journal from Fairfield, Clay county, says a tornado cloud descended, striking the west part of the town. Thirty residences were damaged, some of them badly. The Congregational and Christian churches were destroyed, the Baptist church damaged and the high school building partly demolished. A number of persons were hurt, none, it is thought, seriously. Much live stock was killed and crops ruined.

The Blue river is out of its banks at Beatrice and rising rapidly, following the heaviest rain of the year. The bridge across the Blue is unsafe and is in danger of going out.

## TWO KILLED BY TORNADO

Several Other Persons Are Injured in Nebraska.

Geneva, Neb., June 6.—A tornado which passed near Geneva caused two deaths, fatally injured two other persons and destroyed several thousands of dollars' worth of property. One mile west of Geneva the farmhouse of John H. Shively was struck and totally demolished. Mr. Shively's four-year-old daughter and a young woman named Smith were instantly killed. Mr. Shively was fatally injured, a farm hand named Fusell was probably fatally hurt, while Mrs. Shively and a young son sustained serious injuries. The storm wrecked a number of other buildings in the vicinity, including the engine house of the industrial school for girls. Several other persons are reported injured, but none fatally.

## Victims of a Tornado.

Kearney, Neb., June 6.—Additional reports received from the districts hit by Thursday's tornado tell of at least two fatalities and indicate additional damage by the storm. Near Boelus, ten miles northwest of here, Ene Voldson and his wife were killed in their home near town and their house was wrecked. In the town of Boelus a number of buildings were partially wrecked and three persons injured, none fatally. Crops in the path of the storm were almost entirely destroyed.

## Tornado Kills One Man.

Franklin, Neb., June 6.—Two tornadoes passed just east of this place about one hour apart, causing one death and doing great damage to property. Henry Madison was caught in the center of the storm and killed. Probably twenty houses within five miles of town are completely wrecked. A large amount of livestock was killed. All telephone wires are down and a full report is unobtainable at present.

## Flood Does Heavy Damage.

Hot Springs, S. D., June 6.—A down-fall of rain amounting to a cloudburst again has swept down the Fall river, undoing much of the repair work the railroads had done both on their bridges and track, and working new havoc on the saturated banks and unprotected tracks, much new track being washed away. The damage to the town from the second flood is much greater than from the first one amounting to \$50,000.

## WITHOUT ROLL CALL

Republican National Committee Decides Contests.

## ALL ARE IN FAVOR OF TAFT

Delegates From Alabama and Arkansas Who Are Instructed for the Secretary of War Are Seated—Action of Hitchcock Causes Trouble.

Chicago, June 6.—Without roll call the Republican national committee decided the contests from Alabama and Arkansas, involving twenty-four seats in the Republican national convention, in favor of the delegates instructed for Secretary Taft. The victory for the Taft forces was sweeping, not even a division being required to determine the will of the committee. Contests from Florida, Georgia and Kentucky next will be heard, the total number of seats affected being 34. The proceedings would have been devoid of interest had it not been for an effort to prevent Frank H. Hitchcock, the Taft manager, and Arthur F. Statter, former assistant secretary of the treasury, and Charles G. Phelps of Washington, both assistants to Mr. Hitchcock, from sitting in judgment on the contests. These men held proxies of the members of the national committee from New Mexico, Alaska and North Dakota, respectively. Their entrance into the executive session of the national committee provoked Joseph B. Keating, United States attorney for the district of Indiana, manager for Vice President Fairbanks, and Representative James Francis Burke of Pennsylvania, who acts in a similar capacity for Senator Knox, to make vehement protests from the outside.

## Protest Reduced to Writing.

After a hurried conference between representatives of all the anti-Taft forces, it was decided to reduce the protests to writing and have them presented to the committee before the contests were taken up.

When this had been done the protests were sent to W. F. Aldrich, formerly a member of congress from Alabama, and one of the contesting delegates at large from the Scott-Davidson anti-Taft delegation from that state, who presented them to the committee. They recite the fact that Mr. Hitchcock is directly interested in the management of one of the candidates directly involved in the case, and "therefore disqualified to sit in judgment" upon it. It also declared that Mr. Hitchcock did not reside, and is not a qualified voter in the territory he claims to represent, and was not a regularly or properly chosen national committeeman from the territory. The same representations were made in regard to Messrs. Statter and Phelps, except that they were termed "employees" instead of "managers" for one of the candidates.

Debate on the question was shut off by A. M. Stevenson, the member from Colorado, who promptly moved to lay the protest on the table. The motion carried. The Alabama contests, twenty-two in all, were then taken up.

The Alabama cases, by agreement of all parties concerned, were consolidated and two hours were given to each side. It was regarded as the most important of all the contests, because of the fact that twenty-two delegates were involved, and it is first in the list of states that will be called in the convention when nomination are being made. The candidate securing the delegation from Alabama is sure to be the first placed in nomination, because the state, having no candidate of its own, always yields to that state presenting the candidate favored by Alabama.

## First to File Its Contest.

The Scott-Davidson faction, being the first to file its contest, was given one and one-half hours to open, the Thompson faction following with two hours, and the Scott-Davidson people closing in half an hour. The principal arguments in the opening for the Scott-Davidson people was made by Judge Asa E. Stratton of Montgomery, a leader of the anti-trust forces. He used almost all the time allotted to his side for the opening, although Mr. Aldrich and J. H. Manning, postmaster at Alexander, spoke briefly. The latter charged that the Taft convention had been controlled by federal officeholders and directed from Washington.

The Taft forces, under the general direction of Ormsby McHarg of Washington, D. C., were represented by O. D. Street, William Fairley and N. H. Alexander, a colored man of Montgomery. The legal argument was made by Mr. Street.

All except members of the national committee were excluded from the room at 4:15 p. m. and a few minutes later it was known that the Taft delegates had been seated.

The Arkansas contest, involving the two delegates from the Fifth congressional district, was then taken up. Only half an hour was devoted to it, and the committee voted without a dissenting voice to seat the delegation instructed for Secretary Taft.

## Bubonic Plague in Trinidad.

Port of Spain, Trinidad, June 6.—There have been two cases of bubonic plague here, both of which proved fatal. No new cases have been reported and every precaution is being taken to prevent a recurrence of the disease.

## Mayor Busse Married.

Chicago, June 5.—The information has just become public that Mayor Busse was married on April 29 to Miss Josephine Lee of this city. The mayor confirmed the report. The ceremony was performed by Judge Theodore Brentano, there being but five people in all present at the time of the marriage. Unusual steps were taken to keep the story quiet and even the immediate relatives of the mayor were not informed of his marriage.

## Famous Centenarian Dead.

Marysville, Kan., June 6.—Dr. Williamson F. Boyakin, the famous centenarian, died in his 102nd year. He was reared in Tennessee and General Andrew Jackson gave him a college education and assisted him in the study of law. He afterward took up medicine practice until 1834 and then became a Baptist minister. In 1857 he went to Oregon territory and campaigned in favor of statehood.

## Attempts Murder and Suicide.

Portsmouth, O., June 6.—Charles Webb, a laborer, shot and killed his sister-in-law, Mrs. Lucy Webb, and then turned the weapon upon himself, near New Boston. He is dying. The motive for the shooting is unknown.
